## Dear The Lounge,

I couldn't resist writing in to you to tell you about my very sexy wife. We have been married for six years and have a fantastic sex life, which just recently has involved other people.

There's this guy my wife likes and one time I suggested we pick him up in the car and take a drive up a country lane to a secluded spot. So that night, once we picked him up, my wife wasted no time in jumping into the back seat to grope and kiss him as I set off driving. Occasionally,

I would look into my well positioned mirror to see that she had worked her way down on him, undone his jeans and was gripping the base of his hard dick while eagerly sucking on the end of it.

It was a good 15 minutes of listening to their moans and groans until I found somewhere to pull over and watch the show.

By the time I had parked up, I turned around to see my wife sitting on top of this guy, naked apart from her mini skirt pulled high around her waist. She was facing me, with her legs wide apart so that I could get a good view of his stiff cock sliding into her very wet hole. She arched her back, pushing her breasts forwards for me to grope, and pushing down hard onto him. She moaned at the pleasure of feeling a new cock entering

her pussy, gyrating her hips back and forth as I sucked and played with her erect nipples. My jeans were bursting at this point so I unzipped myself and started wanking. Occasionally, she would lean forward and suck on my hard cock. She ended up on her back, legs wide open with him on top of her, banging his cock into her really hard, making the car rock from side to side. She held tight onto his arse while he pumped into her, crying out for him to fill her pussy with his come, and sure enough, with a few final grunts and thrusts, he shot his load deep inside her. After we dropped him back to his house, me and my wife wasted no time in getting home where I banged her sopping cunt over the coffee table. I hope that more nights like that follow!

## Dear The Lounge,

Like most men I enjoy looking at pictures of attractive women, be they clothed or naked. Being a keen photographer means I also love taking pictures of beautiful ladies, although glamour photography is unfortunately a rare occurrence.

While working as a part-time tutor at the college, I saw a competition in a photographic magazine on the theme of 'Days of Summer', which, to my 32-year-old mind, meant bikini-clad girls on a beach. And I immediately knew just who I wanted as my model...

Jill was a very pretty, sexy brunette studying a graphic design course who I'd met when she mistakenly came to my class. She was 19, and always had me hard whenever she wore this gypsy-style dress that was a little bit see-through, with no bra beneath it, just little white knickers that I'd always eye.

One lunchtime, after a few drinks, I plucked up the courage to ask Jill if she would model for me. She was very flattered and, to my delight, agreed at once.

Without a beach nearby, I decided my location should be an old, abandoned barn next to a cornfield that I knew of and I arranged to pick Jill up that Saturday for the shoot.

Jill still lived with her parents so I declined the offer to come in and help her select her outfit for the pictures. I told her just to bring that sexy gypsy dress and, cheekily, she asked me if I wanted her to wear anything underneath! I stammered an indecipherable reply and she

came back with the skimpiest little thong I'd ever seen in my life.

"That will be fine," I croaked.

I took a bottle of wine with us and we downed a few glasses before getting down to work. We began in the old barn – the light was great and

Jill had a natural vivacity in front of the lens. She looked so sexy in her dress, and she kept squeezing her boobs at me in a very provocative manner, just like a proper model. When I suggested she undo a button or two, she undid four of them, forcing a nut-brown nipple out as she smiled at me.

I was getting extremely turned on and the pair of us moved outside to take some shots of her posing on an old tractor. I was wondering how far she would go when she started pulling up her dress, revealing more and more thigh and giving me a tantalising glimpse of those tiny knickers. I wiped the beads of sweat from my face and tried hard to concentrate on the pictures. Then, spurred on by her behaviour, I asked her to part her thighs. Jill grinned at me and did so, causing my cock to almost burst out of my trousers. I could see her neatly trimmed, dark bush through the sheer lace and could barely contain myself.

"Are you sure these are the kind of shots they want?" she asked me. "I don't mind if we take a few that they don't," and with that, she pulled the thong to one side and gave me an eyeful of what I'd been lusting after

all this time. She climbed down from the tractor and beckoned me into the cornfield, her pert bum looked fabulous through the flimsy material of her dress. As soon as we were in the field, she got down to the rude poses – kneeling on all fours with her bum in the air,

her dress pulled all the way up, her knickers pulled to one side.

I put my camera down as she crawled over to me, undid my flies, and asked, "Is this lollypop for little me?"

"It sure is," I said. All at once she took it as far into her mouth as I've ever been taken, right to the back of her throat so that her lips brushed my pubes. Her pouty pink lips slid up and down the length of my cock, her mouth so deliciously soft and wet. Then she looked up at me with those big brown eyes, took my cock from her mouth to reveal a long trail of spit and semen, and said, "Don't worry, you can come when you want, we've got the whole of the afternoon ahead of us." With that, she forced her face forwards onto my length once more and I gave up trying to hold back my seed. I roared as I filled her throat with my hot sperm, firing jet after jet of my cream into her moaning mouth. Jill swallowed every drop with relish, and then we made our way to the barn and spent the rest of the afternoon fucking in a variety of porn star styles, and not getting much work done.

**"F**lip me over, let me spread my arse cheeks wide open, and I'll give you a nice view of my wet snatch and bum hole, just like I'm doing in this pictures. Imagine what it would feel like to slide your hard cock inside either of those spots, I don't mind which one, my bum is tighter though if you like that. # Talkin' Blue

Got an experience to share? Then send it in to Talkin' Blue at the usual address and if it's up to scratch you'll bag yourself £50!

Monday morning and the alarm clock was conspiring to put Victoria in a bad mood. Last thing Friday afternoon, her secretarial agency had called on her to do a week's work in a city law firm. She had wanted the week off to finish decorating her new flat – all in all, she'd rather work as Sir Les Patterson's dental hygienist than deal with another self-important lawyer.

Finally, at 28 years old, she was renting her flat out to finance her travels around the world and she couldn't wait to go!

However, she thought of her bank balance and she relented.

So now, at 7.31 on Monday morning, she turned off the alarm with a thump. A quick cup of coffee, shower, throw on one of the usual office suits and she was on her way. 'Just one more week,' she thought, as she dragged herself out the door to the railway station. Not quite fully awake on her train journey, she arrived at the London office of Fordham Ward LLP still half asleep. The firm were big hitters in the city. The 18-year-old

personnel assistant collected her from the expensively tasteful reception and she was taken to the fifteenth floor and shown the facilities before being introduced to her boss.

"Let's see if Andrew is in his office," mused the girl from personnel. "Oh, here he is – Andrew, this is Victoria. She's covering for Debbie this week."

Andrew, tall, athletic and immaculately turned out, somehow managed a "pleased to meet you," though he barely seemed to notice her,

**“He couldn't wait to obey, and both of them let out a gasp of relief as he finally filled her pussy”**

was striking.

She felt her breasts swell, and her nipples ached to be squeezed. Her pussy got wetter still and her clit began to tingle, and she longed to be fucked by him. ‘Shit, Vic, it’s Monday bloody morning. Pull your mind out of the gutter and concentrate on the job!’ she admonished herself.

Andrew kept Victoria busy all day Monday with urgent documents to amend. She even worked through lunch, though she didn’t mind. Being busy meant she could almost keep her mind off what she wanted to do to him. Almost, but not quite. When she finally finished work, she rushed home, impatient with the trains.

When she got home, she headed straight for the bedroom. Her need was more urgent than ever. She took her clothes off and went to the third drawer down of her chest of drawers.

This was her ‘naughty’ drawer, where she kept her special outfits and toys bought from her favourite sex shop.

From it, she took her favourite dildo, which was big, thick and rubberised. She came quickly and easily – playing with herself was good, but not good enough.

She wanted flesh on flesh, skin on skin, Andrew thrusting deep into her pussy.

Tuesday morning came soon enough. She got up quickly and showered. Monday had been busy but Tuesday was hectic, with three long urgent documents to finalise. At 5.20, Andrew asked: “What are you doing tonight?” she must have looked stunned, since he quickly added, “Because this contract needs finishing tonight and you’ve been working on it all day. I was hoping you’d be interested in the overtime.”

Overtime was the last thing on her mind, but she said, “Great. Yeah, I can do it,” as Andrew went down the corridor to get two coffees. He came back in no time at all, looking slightly flustered.

“You look hot,” she said, then instantly regretted it. Not so much the sexual innuendo but the corniness of it. She shouldn’t have worried, though – he laughed anyway. He knew exactly what she’d meant.

“I’m not the only one,” he quipped. There was a pause. At that moment, lust was the only thing on her mind. They held eye contact and it seemed like neither of them wanted to break it off but Andrew remembered the

and dashed back into his office to answer the phone.

Victoria, on the other hand, couldn’t believe her luck. It was lust at first sight. ‘Wow!’ she thought, as she felt herself becoming aroused. ‘What a honey!’ She recognised at once this guy’s health and vitality, his animal magnetism – not to mention that body in a

pristine, bespoke, black suit. There was no doubt he was comfortable with his physique – not flouting it and not trying to hide it.

‘There’s an animal under that ordered exterior,’ she fancied.

‘All that and a lawyer too...’ A bizarre thought came into her head. That bloke, in a suit, with his dick out and her lips around it. The guy

contract and abruptly went back to his office. Victoria sat there, nonplussed, but soon had a plan. Given the fact she was only there as a temp, that she was leaving the country soon, that Andrew had created too much of a thirst in her body that now needed quenching, she thought to herself: 'There's no-one around now – seize the day, seize the man,' and followed him into his office, sitting on his desk.

"What are you doing?" he said to her, sitting there audaciously in front of him, her legs and top half-open. 'What am I going to do?' he thought to himself. He was too career-minded to have ever been indiscreet enough to have gone after a secretary – and certainly not in the office – though he wasn't above fucking the odd female colleague or two. But then he found he had no choice in the matter. She leant forward, exposing more of her fully-rounded cleavage, under her white office garb. While he was staring, Victoria moved even closer and kissed him. First, just a peck, but then his lips parted and she let her tongue dance around his.

Still surprised, he felt her hands guide his towards her chest – he was the one slowly but surely being taken advantage of. She stood up and they kissed again, but this time his hands went down, under her skirt and felt her wet pussy through her tight knickers. There was no going back now. She was going to have her wicked way with him. Teasing herself as much as him, she smiled and told him to wait. Pulling herself away,

**“This time his hands went down, under her skirt and felt her wet pussy through her tight knickers”**

him off.

It was too exciting, she wanted to slide her pussy down on that massive prick but couldn't bear to stop sucking. Instead, after taking her knickers off, she carried on, pressing her lips up and down his cock, sucking hard, all the while fingering her clit with her left hand. Before she knew it, the excitement built so much, she came – the tingling sensation showering down her whole body while her mouth was still crammed full of cock.

Slowly, she stopped sucking and relaxed. She wanted to ride that cock and thankfully Andrew had managed to hold back, despite her skilled tonguing. She got up, closed his office door and started undressing him.

“I've been imagining this body for two days now – it's about time I saw it,” she said. He smiled, more than happy to be a passive yet willing participant in this unexpected encounter.

She stripped him off and felt the excitement building in her groin again. “Lie down,” she whispered. Leaning over him from the side, she sucked yet again on that cock, but this time she didn't wait. Taking her bra off so she could get sucked and fucked, she turned around and straddled him, smothering his face with her big, warm tits and huskily told him to put it in. He couldn't wait to obey, and both of them let out a gasp of relief as he finally filled her pussy. He grabbed her around the waist as she slowly bounced on his cock, but he wanted to fuck her faster.

He took over. “Now you lie down. Please.” She did as he asked, lying on the edge of the desk. Andrew stood up and fucked her faster, trying not to look at her buxom tits bouncing as he fucked – he didn't want to come just yet.

As he thrust into her, Victoria was on the edge again. He sat on his chair and she rode him hard. She came again, at the every moment Andrew withdrew and spurted his thick spunk all over her gorgeous arse, and they collapsed into each other.

“Can I put you down for overtime tomorrow, Thursday and Friday?” he said half-jokingly. “Sure,” she answered breathily. With that kind of overtime, she could see herself becoming a work-aholic.

she finished unbuttoning her blouse and took off her skirt while Andrew was grabbing her from behind. “Now just sit back and relax,” she said. She knelt down in front of him and gleefully unzipped his trousers to reveal his beautiful thick cock. Greedy for it and longing to be fucked, she took a long hard suck, eyes closed, nodding her head up and down on his thick, red dick.

Like the cat who got the cream, she was loving every moment.

She grabbed the base of his cock with her right hand, ran her lips along the shaft, and flicked the tip with her studded tongue, over and over again.

Then she ran her tongue up and down the length, till she licked his balls and sucked on one then the other while expertly wanking

## Cursed Wicked Pictures

**Starring:** Alexa grace, Britney Amber, Whitney White, Ryan McLane and Tyler Nixon

Many, many years ago there was a film called Watermelon Man in which a racist fellow wakes up one

morning to find he's turned into a black man. Well, taking the same Metamorphosis theme here, we follow the fortunes of stud Ryan McClane, a serial shagger who beds and bins the ladies in his life, who suddenly finds he's woken up as a hot woman – Whitney Wright, in fact – complete with painted toenails! So how will he cope now that the shoe's on the other foot? A nice lot, which kicks off with Ryan still in bad boy mode having a corking bunk-up with Britney Amber, whose furry slot gets a good workout before she gets an untimely brush-off that causes her to put a curse on him. And Brit's back in next scene, getting another length

and culminating in another load dropped on her muff. It seems Ryan/Whitney has to make amends, and s/he sets about it straight away by getting it in with Alexa in a nice lesbo scene that sees them scissoring to some kind of conclusion. Alexa's back for a restroom shafting next before the story wraps up with Ryan fucking, er, herself! Well, it's a bit confusing, but the action's grand, even if our hero doesn't end up learning any lessons from his experience.

## Highway Home Digital Playground

**Starring:** Ryan McLane, Xander Corvus, Jenna Stavias, Kimber Woods, Derrick Pierce and Arya Fae.

Not, thankfully, some sort of take on the old Harry Secombe

programme, this is the tale of the remarkably attractive Kimber Woods who, when we meet her, is hitching her way home. Almost incredibly the first car that passes doesn't stop, but when Derrick Pierce trundles up in his utility vehicle, he wastes little time in offering a lift. It turns out to be a good decision, because Kimber's more than happy to repay the favour; they pull over and she whips out his knob for a noisy slurp. Needing more room, they make their way to the back of the ute and get down to things properly, Derrick showing admirable staying

power before pasting her tongue. Putting up at a motel for the night, Kimber

finds herself sharing a room with Arya and Jenna, who happen to be hard at it in the shower, with plenty of fanny licking and fingering to keep everyone happy. The trio get into a few more scrapes – like pinching Ryan McLane's car, while Arya fucks him in the bogs – before Kimber makes it home to have it off with her step-bro and out with her step-dad! This really does put wife swapping in the shade.

**M**ia never gets stuck in the middle!

"That's unless I happen to find myself lucky enough to be sandwiched in between two men that is! You know what they say, two is better than one, and that most certainly applies when I've got two hard cocks to contend, and work out what I'm going to do with!" Or stick them! "Well, yes, but I was trying to be a little bit more subtle than that, ladies never tell!" And our readers will no doubt agree that you are a fine lady at that!

*The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...*

**B**y no stretch of the imagination could you describe my sex life as prolific. That said, when I have got lucky I've had a few sessions so wild that they've provided me with plenty of mental reference for those times I end up home alone. There's one instance in particular that I return to time and time again during such moments – because it resulted in me having the orgasm to end all orgasms.

I was, as I do every year, holidaying in the south of France. I'd gone there with my best mate, but he'd pulled a bird from Bristol on our second night there and that was the last I saw of him until the flight home. Anyway, I was enjoying an al fresco late breakfast on the sea front, feeling a bit lonely but pretty relaxed all the same. The café was so packed that the only spare seat was at my table, and to my utter astonishment the person who asked if it was okay if they joined me happened to be the fittest blonde I'd ever seen. Although saying that, there are a hell of a lot of gorgeous girls in the south of France, which is probably the main reason me and my mate keep going there.

Naturally, I said it was fine and made an attempt at small talk. "Are you on holiday?" I asked her, trying to keep my eyes off her big tits.

"No, my ex-boyfriend has an apartment here," she replied.

"Your ex?" I enquired.

"Yes... well he wasn't when we moved here for the summer a month ago," she said. "But we've had so many fights he's fucked off back to London and said he wants me to have moved out when he gets back next week."

I'd read stories about this kind of thing and they usually climaxed in an anger fuck, and the very thought caused my knob to stir in my shorts. Even though I figured I would never get that lucky, I couldn't help imagining her with her legs over my shoulders as I slammed my cock in and out of her pussy.

"That's terrible," I said. "What are you going to do?"

"Well first I'm going to have some fun," she said with a cheeky smile. "It's a cool apartment, wanna help me make the most of it?"

I was speechless for a few moments before saying, "Is this a wind up or what?"

"No wind up," she informed me. "I just want to enjoy myself, and you look like a man who

might be able to help. How do you fancy spending a few days with me in a luxury apartment?"

Well, only a fucking fool would turn down such an incredible proposition, so we ate breakfast, and then headed over to her ex's place. It was a well nice gaff, with hardly any furniture and wall-to-wall whiteness. In fact, it looked like a scaled down version of the kind of home you see on that Grand Designs TV show. "Pretty cool," I said. "That ex of yours must be worth a fair few quid, eh?"

"He is," she said. "But no amount of money would be enough to let him get his cock anywhere near me ever again... yours on the other hand, is a different matter altogether – come here!"

I did as I was told. She pushed me onto the

**“Although one of the cocks wasn't real I imagined that they were and I was getting spit-roasted”**

sofa and dropped to her knees. Then as she unzipped my shorts I realised I didn't even know the blonde's name. I was about to ask when I reconsidered and shut my eyes as her mouth closed over the swollen head of my cock.

Grasping it tightly at the base with one hand, she started moving her gob up and down the shaft, as she cupped and squeezed my balls with her other one. I grabbed her head to force her to swallow the whole length of my cock, but she shook my hands away and immediately stopped sucking. Then she pulled herself off my boner and said, "Get one thing straight, mister, while you're

under this roof I'm in charge – okay?"

"Sure," I said.

I was gutted that she didn't carry on sucking me off, but only for a moment, because she proceeded to strip off in front of me. "You too," she ordered.

Both naked, she told me to lie back, lengthways on the sofa, and hold my cock upright. Then she was on me. She straddled my body and lowered her cunt until its wetness coated the head of my cock. It felt so warm and I was wishing she'd stop pissing about and just drop onto it. Seconds later she did exactly that. It took my breath away as my dick disappeared inside her pussy and her shaven labia plunged down onto my bollocks. Then she rode me hard and fast, her big tits bouncing around and rubbing against my face. I knew I wouldn't last long the way her pussy clamped on and off my shaft with every thrust of her body.

Suddenly she screamed, "I'm going to cum!" and she did, with a loud cry, her fanny muscles clenching tight around my throbbing dick.

Moments later the tell-tale sign that I was about to shoot my load hit me. My balls tensed and my cock twitched, and I could sense it was only a matter of time

– blasting what felt like several pints of cum all over the back of the sofa; evidently the first shot of revenge at her wanker of an ex-boyfriend.

But it was by no means the last, and over the next few days we must have screwed at least 20 times all over the apartment, leaving a trail of fucking around the place that her former fella would find impossible to miss. Man, the poor cunt would definitely have needed to get a cleaner in! But most importantly, although each shag was pretty much a mind-blowing experience, none was better than the first – the best fuck and orgasm that I've ever had.

I'm a girl who never has any trouble getting cock – whether we're talking sucking or fucking, I always seem to strike lucky. So it probably comes as no surprise that the best orgasm I ever

before I flooded her pussy with jet after jet of spunk. However, the blonde had different ideas, and she leapt off my knob and finished me off with her hand

had was the time I ended up in a threesome at a girlfriend's house when I got to enjoy not one, but two, very different 'cocks'. Her name was Nicky and she'd often told me about the rampant sex sessions she and her boyfriend

Pete had indulged in.

In fact, Nicky is so good at storytelling that there's been many occasions when I've gone home and frigged myself off imagining that I was in on the action.

Which is exactly where this letter is leading – to the night when that's precisely what happened.

Nicky had invited me round to her place for food, drinks and a DVD watching session. "What type of pizza do you want, Sarah?" Nicky asked me.

"My favourite," I replied. "A spicy meat feast with extra chillies."

"Good call," said Nicky. "I think I'll join you with that."

She phoned the 'delivery man' and about 30 minutes later the door buzzer went.

"Will you get that, Babe?" Nicky asked.

"Sure," I said.

Imagine my surprise when I opened the door and there stood Nicky's boyfriend!

"You ordered a spicy, meat treat, Miss?" he asked.

"I did indeed," I replied, kind of guessing what was about to happen next. It was all a big game arranged by the two of them – and I couldn't wait to play!

Pete stepped inside the flat, unzipped his fly and pulled out the biggest cock I've ever seen in the flesh – and I mean fat as well as long. I didn't think twice about what to do. I kicked

the door shut. Then I pushed Pete against the wall and dropped to my knees in front of him. I pulled back his foreskin and gave his bell-end a kiss. He shuddered. Even more so when I wrapped my lips around his cock and pushed my head along its shaft until it was as far down my throat as I could take it. Pete grabbed my head, but I pushed his hands away. There's nothing I hate more than having a bloke banging my head on and off his dick while I'm giving him a blow-job.

As I resumed sucking on his meat I also started gently squeezing his sac. That really made him gasp. He was evidently loving it, and so was I. Suddenly – and if I'm honest, not entirely to my surprise – Nicky said: "I bet that's better than any spicy meat feast pizza, isn't it, Babe?"

It's rude to speak with your mouth full, so I didn't. Instead I pulled Pete's prick from my gob and started licking around his pisshole.

Then I opened my mouth as wide as it would go and lowered it over his cock, trying to not let the shaft touch my lips.

When it did eventually make contact with the inside of my mouth, I clamped my lips onto it and sucked in my cheeks. At that exact moment, Nicky stuck her hands up my skirt and pulled my legs apart enough so that she could worm a couple of fingers inside my pussy, which was easy to do since I never wear panties. As her digits dipped inside my absolutely soaked fanny her action nudged

me forward, which forced me further onto Pete's shaft. My mouth was jammed full of cock!

It was difficult blowing Pete's dick while Nicky fingered me, so I decided to take down a notch and suck him off really leisurely. I held his shaft at the base and squeezed lightly so that it throbbed in my fist and gob, then I slid my mouth up and down his hardness, paying particular attention to his bell-end. Every time I reached the tip of his knob I flicked his piss-hole with my tongue. You should have heard him moan when I did that!

Nicky suddenly took her fingers out of my fanny. "Don't stop," I said, disappointedly.

"Oh, I'm not finished with you yet, Baby," she replied. "Finger yourself a minute, I have something special in store for you."

When Nicky returned a few minutes later, she pulled my fingers out of my pussy and replaced them with what felt like the head of a dildo – a big dildo! Now it was my turn to moan as she slid it slightly inside me and started moving it in a circular motion, stretching my slit this way and that as she did so. Then with a full on thrust, Nicky pushed the synthetic prick in me to the max and revealed that "something special" she had in store for me. When both of her hands held me by the hips I realised that the dildo was strapped onto her – the little minx.

Although one of the cocks wasn't real I imagined that they both were and I was getting a proper spit-roasting.

Nicky was banging me so hard from behind that I had to grab hold of Pete's bum cheeks so that his dick didn't fly out of my mouth. I concentrated on clenching my fanny muscles so that Nicky's strap-on fitted me snuggler than a glove. My juices poured from my slit and down the backs of my thighs and I knew

**"I knew I wouldn't last long the way her pussy clamped on and off my shaft with every thrust"**

that I was speeding towards cumming. "Fuck me harder!" I screamed. "Fuck me harder, you bitch!"

She did and the three of us became even more frenzied. Pete shouted, "Oh fuck!" and I echoed his sentiment in my head as I increased mouth pressure on his cock.

The second I did so, my pussy started quivering like crazy and I had an orgasm so intense I thought I'd shake myself right out of my skin. It was an orgasm amplified by the fact that Pete peaked with me and unleashed a load of his spunk right down my throat.

"Unbelievable!" I screamed. "I'm having seconds!" Then I grabbed his tasty prick and stuffed it back in my mouth.

**A**s one of Club's most requested babes we thought it would be rude if we didn't feature the delightful Natasha in due course, so here she is!

Every time we catch up with her she's full of filthy stories about all of her sexploits, but what we really wanted to know was what she likes most about being a porn model?

"The freebies! Every day I get a parcel in the post and it's usually a new range of sexy underwear, or even better, sex toys. I can't remember the last time I had to buy any knickers or dildos for myself. Seriously, I could probably open up my own shop with all the saucy gear I've been given.

Although there are some items I would never get rid of – like my favourite dildo.

It's made out of glass and is nice and thick. It's much bigger than any real cock I've had, so I always have wild fantasies when I use it.

I imagine I'm being fucked and I'm telling the man that it's the biggest I've ever had, and I want it deeper and so he fucks me hard.

But if you think that fantasy is wild, it's nowhere near as wild as the orgasms I have with that dildo!"

## TEXT A HORNY MILF TODAY!

Some women just give you the horn. Lots of desperate older women who love sex, get frustrated when they're not getting enough cock. That might include the nurse who took your blood pressure or the cheeky cashier at your local supermarket. The one thing they have in common is you would love to shag the arse off all of 'em.

You might not get the chance to have a go on their bones but you can swap filthy pictures and tell them how much they give you the horn. You know she's gonna fucking love it.

We can hook you up with hundreds of filthy women but be warned, these women are looking for explicit text chat, not just swapping recipes and chats about Eastenders. If you love MILFS just go to: [www.lovemilfs.uk](http://www.lovemilfs.uk)

# Miss Anderson

PHOTOS: PORNWORLD.COM

**W**e didn't need much convincing to see if Sophie Anderson was capable of swallowing twelve inches right up inside her pussy. All she needed was a bit of spit and thirty seconds later her dildo popped right in! It's a shame we can't show you the photos in the magazine, you can thank the government for that. But, you can certainly get an eyeful at [paulraymond.xxx](http://paulraymond.xxx). Although we love seeing Sophie lowering herself on to of a donky cock it doesn't really do much for our confidence does it! "Don't be silly, sometimes I like them big, but other times I like them smaller. You can make me cum with a finger or a tongue, so don't get so hung up on it, excuse the pun!"

## DO YOU SPEAK ENGLISH?

### Residents Of Papua New Guinea Speak About 840 Different Languages

There are living languages, dead languages, and even languages that remain to be developed. Countries with diverse populations and large groups of people have individuals who speak native and foreign languages alike, but a relatively small part of the world is home to more than 840 different languages. In Papua New Guinea, where roughly 9 million people live, the longevity

of native languages is the result of its remote, isolated setting. The official languages of Papua New Guinea are English, Tok, sign language, and Hiri Motu. Indonesia, with numerous islands and ethnic groups, has more than 700 different languages spoken within its boundaries, while Nigeria, with 206 million people, is home to about 520 languages.

## A FREEZY RECEPTION

### The Four Largest Cities In America Are Located In Alaska

The most populous cities in the US are New York and Los Angeles. New York is home to more than 8 million people, more than double the number of people living in Los Angeles. Chicago and Houston are third and fourth in population, but the largest four cities, by area, are all located in Alaska. Sitka is 2,870 square miles in area, while Juneau and Wrangell similarly span more than 2,500 square miles. Anchorage is 1,704 square miles. For comparison, the largest city by area in the contiguous US - Jacksonville, FL - is only 747 square miles. New York City is about 320 square miles and Los Angeles is roughly 500 square miles.

### Sweden Has More Than 267,000 Islands

Sweden has 267,570 islands that you can get ship wrecked on, many of which are in the Arctic though. Norway is close behind with 239,057. The majority of islands in both Sweden and Norway remain uninhabited. Finland has more than 150,000, with Canada, the US, and Indonesia claiming between 50,000

and 17,000. Although only about 2,000 of the Philippine Islands are inhabited, the Republic encompasses about 7,640 individual islands. There are 7,000 islands in the Wider Caribbean Region, an area of more than 1 million square miles.

### There's Enough Gold On Earth To Cover The Surface Area Of The Planet

Researchers have determined there is enough gold below the surface of the planet to coat Earth in a layer of the precious metal as much as 18 inches thick. According to geologist Bernard Wood in 2006, "more than 99% of the Earth's gold is in the core," but, "it's a nice image to think we could all step outside and be knee-deep in the stuff."

There are actually numerous precious metals in and on Earth, including platinum and tungsten, that could plate the planet in as much as 4 meters, or about 12 feet, of material.

## A BIT OF A MOUTH FULL

### Bangkok's Full Name Is More Than 160 Letters long

Bangkok, the capital of Thailand, is also the country's largest and most populous city. In Thailand, the city is called "Krung Thep," a name that's comparable to "City of Angels" like Los Angeles. The full, ceremonial name of Bangkok (phonetically in English) is:

The city of angels, the great city, the residence of the Emerald Buddha, the impregnable city (of Ayutthaya) of God Indra, the grand capital of the world endowed with nine precious gems, the happy city, abounding in an enormous Royal Palace that resembles the heavenly abode where reigns the reincarnated god, a city given by Indra and built by Vishnukarn.
